INTELLIGENCE REPORT

COUNTRY Poland/Germany (Russian Zone)

DATE: 25X1A6a

SUBJECT Removal of Part of Erabag Plant to Poland

INFO.

DIST. 31 December 1946

ORIGIN

25X1A6a

PAGES

SUPPLEMENT

1. According to a German scientist who is in constant touch with Soviet scientists, part of the former Erabag (Braunkohle-Benzol Aktiengesellschaft) hydrogenation plant at Schwarzheide-Ruhland (A23) has been transferred to Konin in Poland.
2. The installations removed to Poland are said to include the following:
 - a. Gas generating plant with blowers and compressors;
 - b. Synthesizing furnaces;
 - c. "Activated" coal plant with accessories.
